Then the eleven disciples went to Galilee, to the mountain where Jesus had told them to go. When they saw him, they worshiped him; but some doubted. Then Jesus came to them and said, "All authority in heaven and on earth has been given to me. Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age."

THE PATCHWORK STUDIO

OTHER SERVICES

We realise that not all churches are resourced with the skills necessary to host such an event. As such, The Patchwork Studio is happy to assist you in hosting your event, with as little or as much involvement as you choose. We can attend your event and run the more technical "craft side" of the event, or run the entire programme if you choose. In addition, all of our staff have unique and inspiring personal testimonies and experience with presenting the Gospel on such occasions. As such, we would be privileged should you call upon us to be the guest speaker at your event.

OUR FEES

Whilst we are not a not-for-profit organisation, this avenue of our business is first and foremost an outreach, and accordingly our fees and charges are set at the lowest possible rates viable for us to run.

Ministry Kits & Training

WHO WE ARE

We are a family owned Christian Business with a passion to both use our own and encourage others to use their creative talents in reaching people with the Gospel message, to the glory of God.

There are many “streams” to our business ranging from tutoring, lecturing, pattern and kit design, events hosting and commissioned projects. Whilst we view all of our business activities as potential opportunities to share the gospel, we have a particular ministry stream designed to assist churches and Christian Groups host events where relationships can be built and the Gospel message can be shared.

WHAT WE OFFER

Organising an outreach event can be quite daunting. When inviting non-Christians to an event, it is important that it is well organized and executed, affordable, fun, and provides the opportunity to share the gospel message. We recognise that the range of skills needed to cover all of these things are not

always readily available within any given congregation, and The Patchwork Studio seeks to assist in filling these gaps. Our range of services include:

- Providing kits and materials for the practical “craft” interest for the event
- Assistance with planning and advertising your event

- Checklists and resources to help you plan and host your event
- Free training for congregation members
- Assistance with hosting your event

OUR KITS

We understand both the need to make these activities as affordable for people as possible, as well as offering a diverse range of activities to suit all ability levels. Another crucial element in organising an outreach event is to make the planned activity appealing to a secular audience, and our kits have been designed with this in mind.

We have kits to suit Easter and Christmas themed events, as well as “anytime” kits for other occasions. The kits vary from painted wooden cut-outs, through to gift cards (no sewing required), and onto fabric based sewing requiring either hand or machine stitching.

Our kits range from \$10 to \$25 per kit. We aim to provide all the materials necessary within the kit, however in some instances, there may be items such as cutting boards, scissors, paint etc. required to be provided by the event host.

Don't have a craft group or anyone “crafty” to help with the event? No problem! See how we can help under our “Other Services”.

To view our range of kits, please contact us on enquiries@thepatchworkstudio.com.au or call us for a copy of our catalogue.

PLANNING ASSISTANCE AND RESOURCES

We can help you plan and advertise your event with a range of resources. We can provide you with a completed flyer design with all the details of your event included, sent directly to you to print and distribute.

We also have a comprehensive checklist to assist you with planning your event, covering everything from advertising, refreshments, equipment, OH&S considerations, run sheets and much more. We also have resources for some additional games and activities that can make your event more appealing.

FREE TRAINING

As part of our own ministry outreach, when a group places an order for five or more kits, we are happy to provide a free² 1 hour professional training session for up to 10 congregation members. Training covers the following areas:

- How to plan and prepare for your evening practically with the resources available to you
- How to pray for your evening
- How to teach the various kits
- Managing costs and finances
- How to host and run your event effectively
